13.4 Assignment by Grower

Subject to the requirements of the Constitution, the Grower may only assign its rights under this Agreement if the Grower:

- (a) first obtains a deed of covenant signed by the proposed assignee in favour of the Land Owner and the Responsible Entity stating that the assignee will at all times during the Term observe and perform all and any of the terms and conditions of this Agreement, the Constitution and the Almondlot Management Agreement applying to the Grower; and
- (b) is not in default of any of its obligations under this Agreement, the Constitution and the Almondlot Management Agreement.

13.5 Release of liability of Grower

Once the Grower has perfected an assignment of its interest in this Agreement in accordance with clause 13.4, the Grower no longer remains liable under this Agreement in respect of any act done or omitted to be done after the assignment is effected.

14. GOODS AND SERVICES TAX

- (a) If any supply made by a party ("**Supplier**") to the other ("**Recipient**") under this Agreement is a taxable supply (according to GST Law) so that the Supplier is liable to GST, the parties agree that the consideration payable for that taxable supply represents the value of the taxable supply (the "**GST Exclusive Amount**") and not the price for that taxable supply.
- (b) In addition to the GST Exclusive Amount for a taxable supply under this Agreement, the Recipient must pay to the Supplier a further amount in respect of the taxable supply calculated as an amount equal to the GST Exclusive Amount multiplied by the GST rate in force from time to time.
- (c) The GST payable under paragraph 14(b) is payable by the Recipient without deduction or set-off of any other amount, at the same time and on the same basis as the GST Exclusive Amount is payable by the Recipient under this Agreement.
- (d) The right of a Supplier to payment under this clause is subject to a valid tax invoice, which complies with GST Law, being issued and delivered by the

Supplier to the Recipient.

- (e) If a payment to satisfy a claim or a right to claim under or in connection with this Agreement, for example, a claim for damages for breach of contract, gives rise to a liability to pay GST, the payment is the GST Exclusive Amount and an additional amount must be paid to the Supplier in accordance with paragraph 14(b).
- (f) If a Government Agency orders that a payment be made to a party to satisfy a claim under or in connection with this Agreement, and such payment will give rise to a liability to pay GST, the parties authorise the Government Agency to order that a further amount, calculated as an amount equal to the payment multiplied by the GST Rate, be paid to the party in whose favour the order is made.
- (g) If a party has a claim under or in connection with this Agreement for a cost on which that party must pay GST, the claim is for the cost plus all GST, except any GST for which that party is entitled to an input tax credit, including a reduced input tax credit or an adjusted input tax credit.
- (h) If a party has a claim under or in connection with this Agreement and the amount of the claim depends on actual or estimated revenue or lost revenue, revenue must be calculated without including any amount received or receivable as reimbursement for GST, whether that amount is separate or included as part of a larger amount.

15. LIMITATION OF LIABILITY OF GROWER

Subject to clause 12.2, in no circumstances will the Grower be obliged to incur any liability under this Agreement in excess of the annual licence fees payable under this Agreement, its Prescribed Proportion of the fees and other amounts payable by the Joint Venture under the Almondlot Management Agreement, its Prescribed Proportion of the Joint Venture Proceeds and any other amounts payable by the Grower under the Constitution.
