SCHEDULE 3

RULES FOR MEETINGS OF DEBENTURE HOLDERS

The following provisions apply to meetings of Debenture Holders:

1. The Trustee or OIM may at any time convene a meeting of the Debenture Holders. Whenever OIM or the Trustee is about to convene a meeting it must give notice in writing to the other of the nature of the business to be transacted at the meeting. The Trustee must convene such a meeting upon a requisition in writing so to do of a Debenture Holder or Debenture Holders holding not less than one-tenth of the amount of Outstanding Debentures. The requisition must state the nature of the business proposed to be dealt with at the meeting.
2. Ten Business Days' notice at least of any meeting must be given to the Debenture Holders specifying the place day and hour of meeting and the general nature of the business. A copy of the notice must be sent by post to the Trustee unless the meeting is convened by the Trustee and to the Auditors and OIM unless the meeting is convened by OIM. Any accidental omission to give notice to or the non-receipt of notice by any of the Debenture Holders will not invalidate the proceedings of any meeting.
3. A person nominated by the Trustee is entitled to take the Chair at every such meeting and if no such person is nominated or if at any meeting the person nominated is not present within fifteen minutes after the time appointed for holding the meeting the Debenture Holders present may choose one of their number to be Chairman. The solicitors to the Trustee and the Directors and officers of the Trustee and the Directors and officers, solicitors and Auditors of OIM and any other person authorised by OIM may attend any meeting and have the right of audience.
4. If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if summoned upon the requisition of Debenture Holders, will be dissolved. In any other case it will stand adjourned to such day and time not less than ten Business Days (and not more than twenty Business Days) after the appointed day and to such place as may be appointed by the Chairman. If at such adjourned meeting there is no quorum present the meeting will be dissolved.
5. A corporation which is a Debenture Holder and entitled to vote may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative either at a particular meeting or at all meetings of Debenture Holders. A person so appointed (in these Rules referred to as a corporate representative) may act in accordance with their authority until their authority is revoked by the corporation appointing them as the corporation could exercise if it were an individual Debenture Holder.
6. The quorum for transaction of business comprises Debenture Holders whether present in person or by proxy or corporate representative who together hold one-quarter of the amount of Outstanding Debentures. No business may be transacted at any meeting unless the requisite quorum is present at the commencement of business.
7. The Chairman may with the consent of any meeting adjourn the meeting from time to time and from place to place.
8. Every question submitted to a meeting is to be decided by a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman or by the Trustee or by any representative of the Trustee or by one or

more Debenture Holders present in person or by proxy or corporate representative. Unless a poll is so demanded a declaration by the Chairman that a resolution has been carried or carried unanimously or by a particular majority or lost will be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

9. In the case of an equality of votes whether on a show of hands or on a poll the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded is, provided the Chairman is a Debenture Holder or proxy or representative for a Debenture Holder or the nominee of the Trustee, entitled to a casting vote in addition to the votes (if any) to which the Chairman may be entitled as a Debenture Holder proxy or representative.
10. A poll demanded on the election of a Chairman or on a question of adjournment must be taken immediately. A poll demanded on any other question must be taken either immediately or after an interval or adjournment as the Chairman directs. The result of such poll is deemed to be the resolution of the meeting at which the poll was demanded.
11. The demand for a poll does not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
12. On a show of hands every Debenture Holder who is present in person or by proxy or corporate representative has one vote only; on a poll every Debenture Holder whether voting in person or by proxy or be corporate representative has one vote for each dollar of the amount of Outstanding Debentures of which they are the holder.
13. On a poll any Debenture Holder, proxy or corporate representative entitled to more than one vote need not use all their votes or cast all the votes they use in the same way.
14. In the case of joint registered holders of Debentures the vote of the senior Debenture Holder who tenders a vote whether in person or by proxy will be accepted to the exclusion of the votes of the other Debenture Holders and for this purpose seniority will be determined by the order in which the names stand in the Register of Debenture Holders in respect of the joint holding.
15. The instrument appointing a corporate representative or a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority must be deposited at such place as may be directed in the notice convening the meeting or adjourned meeting and in the absence of any such direction at the office of the Trustee not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting (or in the case of a poll before the time appointed for the taking of the poll) at which the person named in the instrument proposes to vote and in default the instrument of proxy may not be treated as valid. The instrument appointing a proxy may be either special or general.
16. (a) Every instrument appointing a proxy must be in writing under the hand of the appointor or appointor's attorney duly authorised in writing. Unless the Directors otherwise approve every such instrument appointing a proxy or representative must be in the terms or to the effect following that is to say:

"I.....of a
Debenture Holder of [.....] hereby appoint
..... of or failing
him/her of"

..... to vote on my behalf at the meeting of the Debenture Holders of OIM which is to be held on the.....day ofand at any adjournment thereof.

As witness my hand

.....
Unless otherwise directed the proxy may vote or abstain from voting in their discretion."

(b) A proxy appointed need not be a Debenture Holder.

17. The persons registered as Debenture Holders in the Register and no other person or persons may be recognised and treated as legal and beneficial owners of the Debentures registered in their name whether such persons are or are not in fact the beneficial owners of such Debentures and such person accordingly is exclusively entitled to vote in person or by proxy or representative in respect of such Debentures. Subject to the Corporations Act, OIM may for voting purposes specify a time being not more than 48 hours before any meeting of Debenture Holders by reference to which the entitlement of Debenture Holders to vote at that meeting is to be determined particulars of which must be sent with the notice of the meeting.
18. Without limiting the rights, authorities and discretions conferred on the Trustee by the Deed, a meeting of the Debenture Holders has the following powers exercisable by Special Resolution only, namely:
 - (a) power to sanction any compromise or arrangement proposed to be made between any of OIM and the Debenture Holders;

 - (f) power to authorise or direct the Trustee to concur in and execute any supplemental deed or other document embodying any such sanction, assent, release, waiver, direction or request referred to in this Rule 18;
 - (g) power to remove the Trustee.
19. A Special Resolution or an Ordinary Resolution passed at a meeting of the Debenture Holders duly convened and held in accordance with the provisions of this Schedule is binding upon all Debenture Holders whether or not present at the meeting and each Debenture Holders is bound to give effect to such resolution accordingly. The passing of any such resolution is conclusive evidence that the circumstances justify the passing of the resolution, the intention being that it will rest with the meeting to determine without appeal whether or not the circumstances justify the passing of such resolution.

-
20. Minutes of all resolutions and proceedings at every meeting must be made by the Trustee and duly entered in books to be from time to time provided by OIM. Any such minutes if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings had or by the Chairman of the next succeeding meeting of Debenture Holders are conclusive evidence of the matters therein stated. Until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made is deemed to have been duly held and convened and all resolutions passed or proceedings had thereat to have been duly passed.
21. (a) Without prejudice to Rule 24, for the purposes of these Rules the expression "Special Resolution" means a resolution voted for (at a meeting of the Debenture Holders duly convened and held in accordance with the provisions of these Conditions) by a majority:
- (i) of such Debenture Holders as being entitled so to vote in person or by proxy or by corporate representative at the meeting; and

 - (ii) that together hold more than one-half of the votes held by all the Debenture Holders entitled to vote in person or by proxy or by corporate representative at the meeting.
- (b) For the purposes of the definition of Ordinary Resolution in Rule 22(a) in computing the majority on a poll or on any question as to whether an Ordinary Resolution has been passed reference is the number of votes to which each Debenture Holder is entitled in terms of Rule 12.
23. (a) For the purposes of these Rules the expression "Written Resolution" means a resolution passed by the Debenture Holders without a meeting of Debenture Holders being held if all the Debenture Holders entitled to vote on the resolution sign a document containing a statement that they are in favour of the resolution set out in the document.
- (b) Separate copies of a document may be used for signing by the Debenture Holders if the wording of the resolution and statement is identical in each copy.
- (c) The resolution is passed when the last Debenture Holder signs.
