- (f) If a Government Agency orders that a payment be made to a party to satisfy a claim under or in connection with this Agreement, and such payment will give rise to a liability to pay GST, the parties authorise the Government Agency to order that a further amount, calculated as an amount equal to the payment multiplied by the GST Rate, be paid to the party in whose favour the order is made.
- (g) If a party has a claim under or in connection with this Agreement for a cost on which that party must pay GST, the claim is for the cost plus all GST, except any GST for which that party is entitled to an input tax credit, including a reduced input tax credit or an adjusted input tax credit.
- (h) If a party has a claim under or in connection with this Agreement and the amount of the claim depends on actual or estimated revenue or lost revenue, revenue must be calculated without including any amount received or receivable as reimbursement for GST, whether that amount is separate or included as part of a larger amount.

20.9 Proper Law

This Agreement is governed by and to be interpreted in accordance with the laws of Victoria and the parties to this Agreement submit to the non-exclusive jurisdiction of the courts of Victoria and courts of appeal from them for determining any dispute concerning this Agreement or the transactions contemplated by this Agreement.

Termination under this clause takes effect on and from the 30 June next following the expiration of the period of notice.

10.5 Effect of Termination

- (a) Termination of this Agreement under clauses 10.1, 10.2 or 10.3 or reduction of the relevant Citruslots under clause 10.4 is without prejudice to any rights and obligations that may have accrued prior to the date of termination.

-
- (b) Termination of this Agreement in respect of any number of all of the relevant Citruslots or part of the relevant Citruslots under this clause 10 does not affect the rights or obligations of the parties in respect of any other Citruslots or any other part of the reduced relevant Citruslots.
 - (c) If this Agreement is terminated under clause 10.2 in relation to all of the Citruslots of the Participant Grower, the Participant Grower loses all rights and interest as a participant in the Project, and the procedures for consequences of default and termination as set out in the Constitution and, if applicable, clause 12 of this Agreement, may be followed.
 - (d) The termination of this Agreement will terminate the rights and obligations of the parties under this Agreement except to the extent that those rights and obligations are expressed to survive termination.

10.6 Termination of Sub-lease

If the Sub-lease terminates before it would otherwise have expired by the effluxion of time, then the following provisions apply:

- (a) OIML and the Participant Grower agree that this Licence Agreement will continue with all necessary modifications as if OIML were named as the licensor in lieu of Timbercorp Securities from the termination of the Sub-lease;
- (b) In the event that the Participant Grower pays Licence Fees to Timbercorp Securities rather than OIML, then Timbercorp Securities must pay to OIML all Licence Fees so paid under this Agreement (on a GST exclusive basis) within 30 days after receiving the Licence Fees from the Participant Grower;
- (c) To the extent that the amount paid to OIML under paragraph (b) and the Sub-lease is less than the rent that OIML would have otherwise received from Timbercorp under the Parent Lease for each anniversary from the commencement date of the Parent Lease, Timbercorp must pay to OIML the shortfall within 55 Business Days after OIML gives Timbercorp notice in writing requesting such payment to be made; and
- (d) To the extent that at any given time the amount paid by Timbercorp Securities to OIML under paragraph (b) and the Sub-lease is more than the rent which OIML would have otherwise received from Timbercorp under the Parent Lease for each anniversary from the commencement date of the Parent Lease at that time, OIML must refund the excess to Timbercorp Securities within 5 Business Days.

11. EXCUSES FOR NON PERFORMANCE

11.1 Force Majeure

Timbercorp Securities will not have any obligation to observe or comply with the terms of this Agreement to the extent that the observance of, or compliance with, those terms is prevented by Force Majeure.

11.2 Lack or unavailability of funds

Performance or fulfilment of an obligation is not to be taken to be prevented by Force Majeure if it is prevented by lack of funds or by inability to use available funds resulting from Force Majeure.

11.3 Liability

Timbercorp Securities' failure to observe or comply with the terms of this Agreement will not give rise to any liability to any party for any direct or indirect consequential or

special loss or damage of any kind to the extent that the failure to observe or comply with those terms is attributable to Force Majeure.

12. LICENCE FEES AND EXPENSES

12.1 Failure to Pay

If the Participant Grower fails or neglects to pay:

- (a) the Licence Fees payable under this Agreement; or
- (b) any amount due and payable by the Participant Grower under the Citruslot Management Agreement; or
- (c) any amount due and payable by the Participant Grower under the Constitution in respect of the Citruslots,

by the due date, Timbercorp Securities may, after giving the Participant Grower 30 days' prior written notice, terminate this Agreement under clause 10.2 and exercise either of the remedies set out in clauses 12.2 and 12.3 (in addition to and without prejudice to any other rights of Timbercorp Securities).

12.2 Timbercorp Securities may pay on Behalf of Defaulting Grower

If the Participant Grower fails or neglects to make payment of any amount under clause 12.1, Timbercorp Securities may pay on behalf of the Participant Grower, from its own funds, any such expense owing by the Participant Grower and Timbercorp Securities will be entitled to be reimbursed out of any Proceeds to which the Participant Grower is entitled, the amount of such payment together with interest at a rate of interest for the time being fixed under section 2 of the Penalty Interest Rates Act 1983 (Victoria), calculated from the date that the payment fell due until Timbercorp Securities has been reimbursed in full.

12.3 Defaulting Participant Grower's Interest may be dealt with under the Constitution

If the Participant Grower fails or neglects to make payment of any amount under clause 12.1 then Timbercorp Securities may deal with the interest of the Participant Grower by exercising any of its powers and rights under the Constitution.

13. ASSIGNMENT

13.1 Assignment by Timbercorp Securities

Subject to clause 13.2, Timbercorp Securities may freely assign any of their rights and interests under this Agreement so long as Timbercorp Securities does not assign its interest in this Agreement in any way without first entering a deed with the person with whom Timbercorp Securities is dealing ("**the Grantee**"). The deed must contain a covenant by the Grantee in favour of the Participant Grower to observe and perform all or any of the covenants:

- (a) contained or implied in this Agreement and the Citruslot Management Agreement; and
- (b) required to be observed or performed by Timbercorp Securities.

13.2 Agreements with Contractors

Timbercorp Securities may only assign its rights and interests in this Agreement to the Grantee if, at the same time, it assigns to the Grantee all its rights and interests in any

contract under which it has delegated some or all of its obligations under this Agreement, and for this purpose, Timbercorp Securities has obtained the written consent to the assignment from the contractor.

13.3 Timbercorp Securities or Grantee to pay for deed

The cost of any deed required under clause 13.1 must be paid by Timbercorp Securities or the Grantee, but not the Participant Grower.

13.4 Assignment by the Participant Grower

(a) Subject to the requirements of the Constitution, the Participant Grower may only assign its rights under this Agreement if the Participant Grower:

(i) first obtains a deed of covenant signed by the proposed assignee in favour of Timbercorp Securities and the Responsible Entity stating that the assignee will at all times during the remainder of the Term observe and perform all and any of the terms and conditions of this Agreement, the Constitution and the Citruslot Management Agreement applying to the Participant Grower's Citruslots being assigned; and

(ii) is not in default of any of its obligations under this Agreement, the Constitution and the Citruslot Management Agreement applying to the relevant Citruslots or any other agreement to which the Participant Grower is a party in respect of the Project.

(b) The proposed assignee is deemed to have entered into a Citruslot Management Agreement and this Agreement, with the same terms and conditions as those applying to the Citruslots being assigned to it by the Participant Grower immediately before the date of the assignment, on and from the date of the assignment.

13.5 Release of liability of Grower

Once the Participant Grower has perfected an assignment of its interest in this Agreement in accordance with clause 13.4, the Participant Grower no longer remains liable under this Agreement in respect of any act done or omitted to be done after the assignment is effected in respect of the Citruslots assigned.

14. GOODS AND SERVICES TAX

(a) If any supply made by a party ("**Supplier**") to the other ("**Recipient**") under this Agreement is a taxable supply (according to GST Law) so that the Supplier is liable to GST, the parties agree that the consideration payable for that taxable supply represents the value of the taxable supply (the "**GST Exclusive Amount**") and not the price for that taxable supply.

(b) In addition to the GST Exclusive Amount for a taxable supply under this Agreement, the Recipient must pay to the Supplier a further amount in respect of the taxable supply calculated as an amount equal to the GST Exclusive Amount multiplied by the GST Rate.

(c) The GST payable under paragraph 14(b) is payable by the Recipient without deduction or set-off of any other amount, at the same time and on the same basis as the GST Exclusive Amount is payable by the Recipient under this Agreement.

(d) The right of a Supplier to payment under this clause is subject to a valid tax invoice, which complies with GST Law, being issued and delivered by the Supplier to the Recipient.

-
- (e) If a payment to satisfy a claim or a right to a claim under or in connection with this Agreement, for example, a claim for damages for breach of contract, gives rise to a liability to pay GST, the payment is the GST Exclusive Amount and an additional amount must be paid to the Supplier in accordance with paragraph 14(b).
 - (f) If a decision making body orders that a payment be made to a party to satisfy a claim under or in connection with this Deed, and such payment will give rise to a liability to pay GST, the parties authorise the decision making body to order that a further amount, calculated as an amount equal to the payment multiplied by the GST Rate, be paid to the party in whose favour the order is made.
 - (g) If a party has a claim under or in connection with this Agreement for a cost on which that party must pay GST, the claim is for the cost plus all GST, except any GST for which that party is entitled to an input tax credit, including a reduced input tax credit or an adjusted input tax credit.
 - (h) If a party has a claim under or in connection with this Agreement and the amount of the claim depends on actual or estimated revenue or lost revenue, revenue must be calculated without including any amount received or receivable as reimbursement for GST, whether that amount is separate or included as part of a larger amount.
-

15. LIMITATION OF LIABILITY OF GROWER

Subject to clause 12.2, in no circumstances will the Participant Grower be obliged to incur any liability under this Agreement in excess of the annual Licence Fees payable under this Agreement, the fees and expenses payable by the Participant Grower under the Citruslot Management Agreement in relation to the relevant Citruslots and its Participating Interest in the Proceeds.

16. NOTICE

16.1 Form of Notice

Any notice to be given under or in connection with this Agreement must be in writing and may be signed by an authorised representative of the party giving the notice. The notice may be served by:

- (a) hand delivery;
- (b) post or registered or certified mail; or
- (c) fax,

16.2 Receipt of Notice

-
- (c) if sent by fax, then at the date and time of transmission as shown by the confirmation report from the sender's fax machine indicating that the notice has been received in full by the recipient's fax machine.
-

17. PROPER LAW

This Agreement is governed by, and to be interpreted in accordance with, the laws of South Australia and the parties to this Agreement submit to the non-exclusive jurisdiction of the courts of South Australia and courts of appeal from them for determining any dispute concerning this Agreement or the transactions contemplated by this Agreement.

18. AMENDMENTS

- (a) This Agreement may be amended by another document in writing and duly signed by the parties to this Agreement.
- (b) Subject to paragraph 18(c), Timbercorp Securities, may amend the provisions of this Agreement to such extent as may be required to:
- (i) satisfy the requirements of any statute, ordinance, rule, regulation or by-law which may be passed and which affects the Project;
 - (ii) comply with the effect of any judicial decision; or
 - (iii) enable the provisions of this Agreement, or the Project, to be more conveniently, advantageously, profitably or economically administered or managed.
- (c) Before Timbercorp Securities may amend the Agreement as provided under paragraph 18(b), the Responsible Entity must be reasonably satisfied that the amendment does not adversely affect the rights of all the Participant Growers.
- (d) Subject to the Corporations Act, Timbercorp Securities may make the amendments on behalf of itself and the Responsible Entity, on behalf of the Participant Grower. To give effect to this clause, the Participant Grower appoints the Responsible Entity as its attorney to make amendments to this Agreement.
- (e) If the Responsible Entity cannot be satisfied that it can consent to the amendments in accordance with paragraph 18(c), then amendments may only be made in accordance with paragraph (a).
-

19. DISPUTE RESOLUTION

19.1 Referral by the Participant Grower

- (a) Any dispute or difference whatsoever in connection with this Agreement must be dealt with by the Participant Grower as follows in the event that the dispute or difference is unable to be resolved by Timbercorp Securities to the Participant Grower's satisfaction:
- (i) if the dispute or difference falls within the rules of the Financial Industry Complaints Service (**FICS**) or Insurance Brokers Disputes Limited (**IBD**), the Participant Grower may refer the dispute or difference to FICS or IBD, for determination in accordance with FICS' or IBD's rules, as the case requires; or
 - (ii) if:

-
- (A) the dispute or difference does not fall within the rules of FICS or IBD; or
 - (B) the Participant Grower does not wish to refer the dispute or difference to FICS or IBD in accordance with paragraph 19.1(a)(i),
the dispute or difference must be submitted by the Participant Grower to arbitration in accordance with, and subject to, the Institute of Arbitrators and Mediators of Australia Expedited Commercial Arbitration Rules, and to the extent permitted under those rules:
 - (C) the Arbitrator will be a person recommended by the Victorian Chapter of the Institute of Arbitrators and Mediators of Australia; and
 - (D) the arbitration will be conducted in Melbourne, Victoria.
- (b) The Participant Grower and Timbercorp Securities:
- (i) subject to any right of appeal contained in the rules of FICS or IBD, agree to accept the determination of FICS, IBD or the arbitrator, as the case requires, in accordance with paragraph 19.1(a) as final and binding; and
 - (ii) submit to the non-exclusive jurisdiction of the Courts in Victoria for the enforcement of any such determination.

19.2 Timbercorp Securities

- (a) Clause 19.1 is for the benefit of Timbercorp Securities only, and it does not prevent Timbercorp Securities from:
 - (i) commencing proceedings against the Participant Grower in any relevant jurisdiction;
 - (ii) submitting any dispute or difference whatsoever with a Participant Grower in connection with this Agreement to arbitration in accordance with, and subject to, the Institute of Arbitrators and Mediators of Australia Expedited Commercial Arbitration Rules, and to the extent permitted under those rules:

 - (i) agree to accept the determination of the arbitrator in relation to any dispute or difference referred to arbitration in accordance with paragraph 19.20, as final and binding; and
 - (ii) submit to the non-exclusive jurisdiction of the Courts in Victoria for the enforcement of any such determination.
- (c) Timbercorp Securities must ensure that it has an internal complaints handling procedure that conforms where reasonably possible to the procedure set out in clauses 25.2, 25.3 and 25.4 of the Constitution.

22. INSURANCE

Each party agrees that it will not do or permit or suffer to be done any act, manner or thing which may prejudice or render void or voidable any insurances in respect of the Citruslots or the Citrus Trees taken out by Timbercorp Securities, OIML, Timbercorp or any Participant Grower or result in the premiums for such insurances being increased.

“(c) Responsible Entity may give notice

- (i) The Responsible Entity may give notice to the Grower that the Grower is in default and that the Responsible Entity may exercise its right for and on behalf of the Defaulting Grower to sell and assign all of the relevant Citruslots held by the Defaulting Grower if payment of the amount or amounts due under the Agreements or this Deed, or other default thereunder, is not rectified within 30 days of the notice being so given to the Defaulting Grower.
- (ii) In the event that notice is given as provided in paragraph 18.4(c)(i) and the Defaulting Grower fails or neglects to remedy the default complained of, the Responsible Entity may, for and on behalf of the Defaulting Grower, sell some or all of the relevant Citruslots by public auction to be conducted as far as practicable in accordance with the provisions set out in sections 254Q to 254R inclusive of the Corporations Act relating to the sale by a company of forfeited shares.
- (iii) The Responsible Entity has no liability to the Defaulting Grower in respect of such assignment or sale.

(d) Responsible Entity may assign or auction

- (i) If a Grower has ceased to participate in the Project in respect of a relevant Citruslots due to the termination of the Agreements, the Responsible Entity must procure an assignment of the Citruslot to the Land Owner or any other person nominated by the Responsible Entity by the later of:
 - (1) 6 months after the Agreements have been terminated; or
 - (2) 14 days after the independent valuer has determined the market value of the Relevant Citruslots.
- (ii) The consideration for the assignment of relevant Citruslots to the Land Owner or any other person nominated by the Responsible Entity in accordance with this paragraph 18.4(d) will be the market value of the relevant Citruslot determined by an independent valuer at the Defaulting Grower's cost. The Responsible Entity and the Defaulting Grower must jointly request the President of Victorian Law Institute Limited (or, if such body has ceased to exist, then such other institute or body which carries out similar functions) to nominate a person to value the Citruslots for the purposes of this paragraph 18.4(d).
- (iii) If the Responsible Entity decides to exercise its rights under paragraph 18.4(c)(ii) the time and place of the auction referred to in paragraph 18.4(c)(ii) must be:
 - (A) publicly advertised;

-
- (B) notified to all Growers (placing such reserve price on the relevant Citruslot as the Responsible Entity thinks fit).
- (iv) If no bid is received at such auction equal to the reserve price on the relevant Citruslot, the Responsible Entity may sell or otherwise dispose of the relevant Citruslot, on behalf of the Defaulting Grower, as it thinks fit, including a sale to itself at a price not less than the reserve price. Other than a liability to pay the sale price in the event of a sale to itself in any of these events, the Responsible Entity has no liability.
- (v) In the event that the Responsible Entity determines to dispose of the relevant Citruslot by means of issue of a Product Disclosure Statement, the Product Disclosure Statement must disclose the amount and dates of future moneys payable under this clause 18.4 and the consequences of failure to pay those moneys.
- (vi) The consideration for the assignment or proceeds of sale of any relevant Citruslot must be applied in the following order of priority:
- (A) payment of the costs of and incidental to the auction, and the assignment, as the case may be;
- (B) in payment of the reasonable costs and expenses incurred by the Responsible Entity and the Landowner in connection with the Defaulting Grower's default plus interest;
- (C) in payment of any amounts owing by the Defaulting Grower under the Sub-Lease Deed plus interest;
- (D) in payment of any amounts owing by the Defaulting Grower under the Citruslot Management Agreement plus interest;
- (E) in payment of any amounts owing by the Defaulting Grower under this Deed plus interest;
- (F) any residue is to be treated as Proceeds for the benefit of the Grower.
- (vii) If there is insufficient money remaining from the proceeds of the sale of the Defaulting Grower's Citruslots to pay all of the outstanding costs and liabilities set out in paragraph 18.4(d)(vi), then the Defaulting Grower must make good that difference. The difference constitutes a debt owing by the Defaulting Grower to the Responsible Entity.
- (viii) The Defaulting Grower appoints the Responsible Entity its attorney to enter into and execute for and on behalf of the Defaulting Grower such documents, and do such other things, as the Responsible Entity in its absolute discretion considers necessary or desirable in order to give effect to this paragraph 18.4(d)."
