Dear Grower

2005 Timbercorp Citrus Project ARSN 114 091 299 (the Citrus Project)

You are receiving this letter in your capacity as a grower investor in the Citrus Project (**Grower**).

The Citrus Project is the subject of a dispute between Growers and other parties to Proceeding No. SCI 2011 6606 in the Supreme Court of Victoria (**Solara Rights Proceeding**) in relation to their respective entitlements to the net sale proceeds of the assets used in the Citrus Project. In that proceeding, the interests of all Growers are represented by representative Growers appointed by the Supreme Court of Victoria (**Representative Growers**). Clarendon Lawyers acts on behalf of the Representative Growers.

The parties to the Solara Rights Proceeding have now reached a compromise resolving the dispute between them (**Compromise**). The Representative Growers, acting on our and our barristers' advice, consider that the Compromise is in the best interests of the Growers they represent. If the Compromise is approved by the Supreme Court of Victoria and the compromises in respect of the Timbercorp Olive Projects and the Timbercorp Almond Projects are also approved, the Compromise will bind all Growers and you will lose any right to seek a different outcome of the dispute.

We have prepared a notice to Growers explaining the Solara Rights Proceeding, the Compromise (including its effect on Growers' rights and entitlements) and the application to be made to the Supreme Court of Victoria for approval of the Compromise (**First Notice to Growers**). The First Notice to Growers also provides details on how you can comment on or object to the Compromise or obtain further information.

It is important that you read the First Notice to Growers carefully as, if approved by the Supreme Court of Victoria, the Compromise will affect your rights and entitlements as a Grower.

You can view the First Notice to Growers on the following websites:
