1 Conduct of Liquidation

1.1 Purpose of this report

Certain Partners of KordaMentha were appointed Voluntary Administrators of Timbercorp Limited (In Liquidation) ('TIM') and 40 subsidiaries on 23 April 2009 and subsequently appointed as Liquidators on 29 June 2009 as per Appendix 1 (referred to collectively as the 'Timbercorp Group'). This report, prepared in accordance with the provisions of Section 508(3) of the Corporations Act 2001 (Cth) ('the Act'), details the Liquidators' account of acts and dealings in the winding up of the Timbercorp Group during the period 29 June 2017 to 28 June 2018.

The Timbercorp Group includes Timbercorp Securities Limited (In Liquidation) ('TSL') and Timbercorp Finance Pty Ltd (In Liquidation) ('TFL'). Reports pursuant to Section 508(3) of the Act have been prepared for these entities separately.

1.2 Group background

Primarily via TSL, the Timbercorp Group issued 33 Managed Investment Schemes ('MIS') and three private offer schemes as detailed in Appendix 2 (referred to collectively as 'the Schemes' or individually as 'Scheme'). The MIS comprised of forestry and horticulture assets, and included approximately 100 million blue gum trees, nearly 3 million almond trees and over 2 million olive trees.

Following a review of the Schemes, the Liquidators conducted sales and marketing campaigns for all major forestry and horticulture assets. Forestry, almond and olive assets achieved sale prices of \$345 million, \$128 million and \$60 million respectively and proceeds from these sales have been distributed to relevant stakeholders. Proceeds from the remaining scheme related asset realisations were distributed to relevant stakeholders after compromises were reached between Grower Investors and secured creditors.

For further details on the background of the Timbercorp Group please refer to the previous Reports by Liquidators lodged with the Australian Securities and Investments Commission ('ASIC') on 28 September 2010, 28 September 2011, 28 September 2012, 26 September 2013, 26 September 2014 and 23 September 2015, 27 September 2016 and 21 September 2017.

1.3 Head office

As previously reported, the head office of the Timbercorp Group is at Level 9, 34 Queen Street, Melbourne ('Head Office'). The monthly Timbercorp Group payroll has been reduced from approximately \$1.0 million at appointment to approximately \$9,220, excluding TFL employees.

TIM currently employs one staff member down from 139 at appointment date. Priority employee entitlements have been paid to all terminated employees. It is estimated a further \$57,670 remains owing.

The staff member is primarily involved in operating and maintaining the Timbercorp Information Management System, aiding in the pursuit of outstanding pre-appointment debtor invoice amounts and processing distributions of sale proceeds to Grower investors.

1.4 Bond and Note Holders Update

1.4.1 2005 ASX Listed Bond Securities ('the Bonds')

As previously advised, the Trustee of the Bonds, The Trust Company (Australia) Limited, made distributions to bond holders of \$56.00 and \$0.45 per bond on 7 March 2011 and 25 June 2012 respectively in relation to the Bonds.

Formal requests were made to bond holders in May 2014 to submit their bank details and distributions have been made to those bond holders who responded to the request. At 28 June 2018, 98 bond holders have still not provided us with updated details. With the intention of releasing the proceeds to the bondholders, a further request for their details was made in September 2016. Bondholders have been advised that uncollected monies will be released to the Australian Securities & Investment Commission ('ASIC') unclaimed monies register.

1.4.2 Timbercorp Subordinated Unsecured Convertible Notes ('the Notes')

The Notes are unsecured and any return to note holders will be dependent on realisations from the unsecured assets of TIM.

1.5 Finalisation of Timbercorp Group Entity Liquidations

1.5.1 Deregistration of Timbercorp Group Entities

Since the appointment of the Liquidators, 14 of the 40 TIM subsidiaries have been deregistered. The complete list of deregistered companies is detailed in Appendix 3.

1.5.2 External Unsecured Creditors

As previously advised, eight Timbercorp Group entities have been identified as having no further assets to realise and no outstanding legal issues (apart from calling for and adjudicating proofs of debt). The existence of a Timbercorp Group Tax Funding and Sharing Agreement has meant that clearance on the identified companies cannot be requested until the preappointment Timbercorp Group tax position as a whole has been determined. The dividend process for the abovementioned companies and further deregistration of Timbercorp entities is now dependent on the resolution of this pre-appointment tax issue.

As previously advised, the dividend per dollar is not expected to be material.

1.6 Sale of Assets

For details of major Timbercorp Group asset realisations including Forestry, Almonds and Olives, please refer to Reports by Liquidators lodged with ASIC on 28 September 2010, 28 September 2011, 28 September 2012, 26 September 2013, 26 September 2014, 23 September 2015, 27 September 2016 and 21 September 2017.

1.6.1 Water Rights

Water Parcel

As previously advised, the Liquidators of Almond Land Pty Ltd (In Liquidation) ('Almond Land') entered into a settlement deed in respect of a pre-appointment loan and sale and purchase agreement for permanent water rights. The settlement sum is \$800,000. The first \$100,000 was received on 29 October 2014, the second instalment of \$200,000 was received on 24 April 2015 and a third instalment of \$350,000 was received by way of three payments on 22 October 2015, 17 December 2015 and 30 March 2016. Further instalments of \$37,500 and \$50,000 were received on 20 October 2016 and 30 June 2017 respectively. We extended payment of the final \$62,500 owed until August 2018.

However, we are aware the debtor has recently been served with an application to be wound up. Should the company be placed into Liquidation, we expect further recoveries to be immaterial.

2 Outstanding matters

2.1 Almond Land Water Parcel Compromise

As outlined above, the Liquidators of Almond Land entered into a settlement deed to recover \$800,000 in relation to a preappointment debt. The Liquidators have received \$737,500 of this amount. There is some uncertainty as to the collectability of the balance owing.

3 Statutory Obligations

3.1 ASIC Form 524 Report

The latest ASIC Form 524 reports for the Timbercorp Group entities were prepared and lodged with ASIC on 27 July 2018. These reports related to all receipts and payments made during the period 29 December 2017 to 28 June 2018.

3.2 Insolvency Law Reform Act changes

On 1 September 2017, amendments were made to the Corporations Act which change a Liquidator's reporting requirements. ASIC six monthly Form 524 reports have now been replaced with annual reports. In addition, s508 of the Corporations Act, the section under which this annual report has been prepared, has been repealed. This is the last report that will be issued under s508.

4 Creditor claims and dividends

Please refer to Appendix 4.

5 Receipts and payments

Please refer to Appendix 5.

6 Further information

7. Korda

Due to the nature of the Timbercorp Group liquidation, the Liquidators are unable to provide an estimated time to completion. As detailed in Section 1.5, entities within the Timbercorp Group will be deregistered pending clearance from the ATO and resolution of the pre-appointment tax issue. Creditors requiring further information regarding the liquidation may contact Maddison Burrows of this office on (03) 8623 3309.
