Acceptance of Appointment by Successor

- 19.6 Every successor Trustee appointed in accordance with the above must (at the cost of OIML) execute and deliver to OIML and the retiring or removed Trustee an instrument accepting such appointment and must do all other things reasonably within its power to assume the obligations, duties and powers of the retiring or removed Trustee under this Deed.
- 19.7 Upon the resignation or removal of the Trustee, the successor Trustee becomes vested with all the powers, trusts and duties of the retiring or removed Trustee (who thereafter has no more such powers, trusts or duties).

Co-operation of Retiring or Removed Trustee

19.8 The retiring or removed Trustee must:

- (a) execute and deliver any documents and do any other thing reasonably within its power which is necessary or desirable to effect the appointment of the successor Trustee; and
- (b) deliver to the successor Trustee all documents (paper or electronic) relating to the Bonds and which are in the possession of or under the control of the retiring or removed Trustee, to the extent that such documents are necessary or desirable to carry out the functions and to exercise the rights of the successor Trustee.

Release and Discharge of Retiring or Removed Trustee

- 19.9 Upon the resignation or removal of the Trustee, the retiring or removed Trustee is absolved, released and discharged by OIML, the successor Trustee and the Bond Holders from all further obligations, duties and Powers under this Deed. However, this release and discharge so provided for and given in accordance with this clause 19.9 does not affect the rights and obligations of the retiring or removed Trustee arising during its term as Trustee.
- 19.10 If the retiring or removed Trustee exercises its power to appoint the successor Trustee pursuant to clause 19.5, the retiring or removed Trustee will not be responsible for or liable to OIML or any Bond Holder or any other person for loss caused by exercise of its power to appoint the successor Trustee.

20 Register Of Bonds

Establish Register of Bonds

- 20.1 OIML must establish a register of the Bonds, and if required, in accordance with the Corporations Act. There must be recorded in the Register the names and addresses of the Bond Holders and the date of issue or transfer of such Bonds and the amount of Bonds held by each such Bond Holder and the face value of these Bonds and as regards Bonds no longer Outstanding particulars of their redemption and such other details as required, if applicable, by the Corporations Act.

Register conclusive

- 20.2 Subject to the Corporations Act, to the extent it applies:
- (a) the Register will, in the absence of manifest error, be conclusive as to the identity of Bond Holders and the face value of Bonds they hold from time to time. If there is any inconsistency with any register kept by OIML, the Register will prevail;
 - (b) a person whose name is entered on the Register as a Bond Holder will remain a Bond Holder for the purposes of this Deed until that name is removed from the Register by the Trustee with the consent of the Bond Holder. This applies whether or not:
 - (i) the Bond is or proves to have been void, invalid or improperly issued; or
 - (ii) the Bond has been redeemed, repaid or cancelled; and
 - (c) Bond Holders whose names appear for the time being in the Register will be regarded as the beneficial owners of the Bond registered against their respective names. Except as required by law neither the Trustee nor OIML will recognise any other interest in any Bond (even if either of them has notice of any such interest).

Inspection of the Register of Bonds

- 20.3 Subject to the Corporations Act the Register must be open at all reasonable times during business hours for the inspection of the Trustee and of any Bond Holder or Bond Holder's legal personal representatives or any person authorised in writing by it or them respectively and, upon the request of any such person and at the expense of such person, OIML must provide to such person an extract from the Register, or a document which sets out the relevant Bond Holder's entry in the Register, as soon as practicable after the making of any such request. No notice of any trust whether expressed or implied or constructive will be entered in the Register.

Copy of the Register of Bonds to be Provided to Trustee on Request

- 20.4 OIML must provide, or arrange for the Registrar to provide, a copy of the Register to the Trustee within 5 Business Days of receiving a written request from the Trustee.

Delegation by OIML in Respect of the Register of Bonds

- 20.5 OIML may delegate any of its powers and obligations in respect of the Register provided that OIML will be and will remain liable for all acts and omissions of any delegate under this clause 20.5 as if those acts or omissions were its own.
- 20.6 If OIML delegates any of its powers and obligations in relation to the Register to the Trustee, the Trustee will perform those obligations only as OIML's agent and not in its capacity as Trustee.
- 20.7 The Trustee will not be considered, in the absence of express notice, to be aware of any matter which is relevant to the exercise and performance of its powers and duties under this Deed in its capacity as Trustee only by reason of it being appointed as OIML's agent to act as Registrar.

21 Payments By OIML Or Trustee

- (a) the death of such Bond Holder;
 - (b) the non-payment of any Taxes by such Bond Holder;
 - (c) the non-payment of any estate, probate, succession, death, stamp or other duty by the legal representative of such Bond Holder by or out of the Bond Holder's estate;

Nothing in this Deed prejudices or affects the right or remedy which any such law

may confer or purport to confer on OIML or the Trustee and as between OIML or the Trustee and every Bond Holder and the Bond Holder's legal representatives and estate wheresoever constituted or situate. Any right or remedy which such law confers on OIML or the Trustee is enforceable by it.

22 Determination By Trustee

- 22.1 The Trustee may determine as between itself and the Bond Holders all questions and matters of doubt arising in relation to any of the provisions of this Deed and every such determination made in good faith whether upon a question actually raised or implied in the acts or proceedings of the Trustee is conclusive as against, and binds, all Bond Holders.

23 Release Of OIML

Transactions Entered into by the Trustee

- 24.2 The Trustee is not by reason of its fiduciary capacity in any way precluded from making any contracts or entering into any transactions with any person in OIML or its Controlled Entities (for the purposes of clauses 24.2 to 24.4 collectively called the ***OIML Entities***) or with itself as Trustee in the ordinary course of business of the Trustee or from undertaking any assurance, insurance, financial or agency services for the OIML Entities or for itself as Trustee.
- 24.3 Without prejudice to the generality of these provisions, it is expressly declared that such contracts and transactions include any contracts or transactions in relation to the subscription or placing of or any other dealing with any stocks, shares, debenture, stock debentures or other security of the OIML Entities or any contract or loan or deposit or other contract or transaction which any assurance or insurance company not being a trustee of this Deed could or might

have entered into with the OIML Entities or with itself as trustee and the acceptance or holding of office of trustee for the holders of any debentures or debenture stock or other securities (whether secured or unsecured) issued by the OIML Entities.

- 28.5 Subject to clause 28.7, if a payment to satisfy a claim or a right to claim under or in connection with this Deed, for example, a claim for damages for breach of contract, gives rise to a liability to pay GST, the payment is the GST Exclusive Amount and an additional amount must be paid to the Supplier in accordance with clause 28.2.
- 28.6 If a decision making body orders that a payment be made to a party to satisfy a claim under or in connection with this Deed, and such payment will give rise to a liability to pay GST, the

parties authorise the decision making body to order that a further amount, calculated as an amount equal to the payment multiplied by the GST Rate, be paid to the party in whose favour the order is made.

- 28.7 If a party has a claim for, or a right to recover, under or in connection with this Deed, a cost or expense on which that party must pay GST, the claim is for the cost or expense plus all GST, except any GST for which that party is entitled to an input tax credit.
- 28.8 This clause 28 takes precedence over any other term or condition of this Deed to the extent of any inconsistency.
-

29 Confidentiality

- 29.1 A party must not disclose any information concerning the contents of, or the transactions contemplated by, this Deed or any Transaction Document to any person who is not a party, except to the extent that:

Payments to Bond Holders

- 4.1 All payments in respect of the principal money and interest and other amounts payable to Bond Holders:

- 4.2 Changes in particulars of Bond Holders must be given in writing and duly signed and received by the Registrar within 14 days after such changes.

5 PAYMENT OF PRINCIPAL MONEYS AND INTEREST

Payment of Interest

- 5.1 The Bonds will bear interest accruing daily as follows:
- (a) Subject to paragraphs (b) and (c), from the Issue Date, interest at a fixed rate of 9.5% per annum for the First Issue, and for any subsequent issue, the rate determined by the directors under clause 3.3, (*Interest Rate*), payable on the Interest Payment Date;
 - (b) if any payment under this Deed is overdue, interest will be payable on that overdue amount at the Interest Rate plus 2% (*Penalty Rate*), payable at the same times and in the same manner as all other interest is payable under this Deed; and
 - (c) upon the occurrence of an Event of Default, interest at the Penalty Rate will be payable on all Monies Owing from time to time from the date which is 21 days after the date a notice is served on OIML by the Trustee notifying it that an Event of Default has occurred, and for the period of time that such default is subsisting.
- 5.2 Interest on Outstanding Bonds will be calculated as at each Interest Calculation Date and paid on or before the relevant Interest Payment Date in accordance with and subject to these Issue Conditions.
- 5.3 OIML will have no obligation to make any payments of interest in respect of any Bond beyond the Redemption Date provided that all Moneys Owing in respect of that Bond have been paid on the Redemption Date.

Payment of Principal

- 5.4 On a Redemption Date, OIML is obliged to redeem the relevant Bonds and pay to the relevant Bond Holders the principal moneys and all other amounts then outstanding in respect of those Bonds on that date. OIML will make such notation in the Register that reflects the redemption and payment of the Moneys Owing in respect of the Bonds.

Early Redemption by the Trustee

- 5.5 The Trustee may, if an Event of Default has occurred and is subsisting, require OIML:
- (a) to redeem the Bond Holders' Bonds; and
 - (b) immediately pay to the Bond Holders the Moneys Owing,
- on a day specified by the Trustee which allows adequate time for the calculation of the Moneys Owing on the Redemption Date of the Bonds.
- 5.6 OIML agrees to redeem the Bond Holders' Bonds immediately upon the request of the Trustee under Issue Condition 5.5.

Early Redemption by OIML

5.7 OIML may:

No Early Redemption by Bond Holder or Trustee

5.9 Except as provided in Issue Conditions 5.5 and 5.6, the Trustee or a Bond Holder may not require OIML to redeem Bonds prior to its Maturity Date.

6 REGISTRATION OF TRANSFERS

Transfer Procedure

6.2 In relation to all transfers of Bonds, the transfer form must be:

- (a) lodged with the Registrar together with payment of any stamp duty, Taxes or other governmental charges payable on such a document; and
- (b) accompanied by such evidence as the Registrar may require to prove the title and identity of the transferor and the transferee, the right or entitlement of the transferee to receive a transfer of the relevant Bonds, the due execution of the transfer form and the due compliance and observance with all applicable laws and regulations of Australia and each State and Territory of Australia.

- 6.3 The Registrar must within 3 Business Days upon being satisfied with the transfer form, the information lodged with the transfer form, the identity of the transferor and the transferee and the due compliance with these Issue Conditions and such reasonable regulations as OIML and Trustee may determine from time to time, accept the application contained in the transfer form by making an inscription in the Register recording the transfer of the relevant Bonds.

Registration

- 6.4 On the inscription being made in the Register, OIML and the Trustee will recognise the transferee as the registered owner of the relevant Bonds and as being entitled to the payment from then on of the interest, principal and other Moneys Owing in respect of that Bonds and to all other rights vested in Bond Holders under the Trust Deed. The transferor will for all purposes be and be deemed to be the registered owner of the relevant Bonds until an inscription is made in the Register recording the transfer, the name and address of the transferee and the other matters required to be entered into the Register by OIML from time to time.

Administration

- 6.5 OIML must register the transfer of Bonds notwithstanding that the transfer form to which the transfer relates has not been marked by OIML or the Registrar.
- 6.6 OIML must procure that all transfer forms which are registered are retained by OIML for a period of seven years after receipt but any transfer form which OIML declines to register must (except in the case of fraud or suspected fraud) be returned on demand to the person depositing it.
- 6.7 OIML may not register the transfer of Bonds on or after its Maturity Date.

 - (b) at any subsequent time in such form as OIML from time to time determines.
- 6.10 A direction from any one or more joint holders of Bonds binds all the joint holders.

Transmission

- 6.11 A person becoming entitled to Bonds as a consequence of the death or bankruptcy of a Bond Holder or of a vesting order or a person administering the estate of a Bond Holder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Bonds of that Bond Holder or, if so entitled, become registered as the holder of the Bonds.

- 6.14 The person registered in the Register as a Bond Holder of Bonds will be treated by OIML and the Registrar as the absolute owner of those Bonds. Neither OIML, the Trustee nor the Registrar may, except as ordered by a Court or as required by statute, be obliged to take notice of any claim to Bonds.

Suspension of Transfers

- 6.15 No transfer of Bonds will be registered, nor will any person be registered as a Bond Holder who is entitled to be registered as such in any period beginning on the Redemption Calculation Date and ending on the relevant Redemption Date.
- 6.16 Despite any other provision of these Issue Conditions, a Bond Holder must not transfer all or any of the Bonds that it holds if such transfer would amount to:

 - (c) to prove in any Liquidation of the Scheme and OIML as responsible entity of the Scheme (irrespective of when that Liquidation is commenced) subject to the Trust Deed, including clause 4.3(d); and

Schedule 2

Rules of Meetings of Bond Holders

The following provisions apply to meetings of Bond Holders:

1. The Trustee or OIML may at any time convene a meeting of the Bond Holders. Whenever OIML or the Trustee is about to convene a meeting it must give notice in writing to the other of the nature of the business to be transacted at the meeting. The Trustee must convene such a meeting upon a requisition in writing so to do of a Bond Holder or Bond Holders holding not less than one-tenth of the amount of Outstanding Bonds. The requisition must state the nature of the business proposed to be dealt with at the meeting.
2. Ten Business Days' notice at least of any meeting must be given to the Bond Holders specifying the place day and hour of meeting and the general nature of the business. A copy of the notice must be sent by post to the Trustee unless the meeting is convened by the Trustee and to the Auditors and OIML unless the meeting is convened by OIML. Any accidental omission to give notice to or the non-receipt of notice by any of the Bond Holders will not invalidate the proceedings of any meeting.
3. A person nominated by the Trustee is entitled to take the Chair at every such meeting and if no such person is nominated or if at any meeting the person nominated is not present within fifteen minutes after the time appointed for holding the meeting the Bond Holders present may choose one of their number to be Chairman. The solicitors to the Trustee and the Directors and officers of the Trustee and the Directors and officers, solicitors and Auditors of OIML and any other person authorised by OIML may attend any meeting and have the right of audience.
4. If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if summoned upon the requisition of Bond Holders, will be dissolved. In any other case it will stand adjourned to such day and time not less than ten Business Days (and not more than twenty Business Days) after the appointed day and to such place as may be appointed by the Chairman. If at such adjourned meeting there is no quorum present the meeting will be dissolved.
5. A corporation which is a Bond Holder and entitled to vote may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative either at a particular meeting or at all meetings of Bond Holders. A person so appointed (in these Rules referred to as a corporate representative) may act in accordance with their authority until their authority is revoked by the corporation appointing them as the corporation could exercise if it were an individual Bond Holder.
6. The quorum for transaction of business comprises Bond Holders whether present in person or by proxy or corporate representative who together hold one-quarter of the amount of Outstanding Bonds. No business may be transacted at any meeting unless the requisite quorum is present at the commencement of business.
7. The Chairman may with the consent of any meeting adjourn the meeting from time to time and from place to place.
8. Every question submitted to a meeting is to be decided by a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman or by the Trustee or by any representative of the Trustee or by one or more Bond Holders present in person or by proxy or corporate representative. Unless a poll is so demanded a declaration by the Chairman that a resolution has been carried or carried unanimously or by a particular majority or lost will be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

9. In the case of an equality of votes whether on a show of hands or on a poll the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded is, provided the Chairman is a Bond Holder or proxy or representative for a Bond Holder or the nominee of the Trustee, entitled to a casting vote in addition to the votes (if any) to which the Chairman may be entitled as a Bond Holder proxy or representative.
10. A poll demanded on the election of a Chairman or on a question of adjournment must be taken immediately. A poll demanded on any other question must be taken either immediately or after an interval or adjournment as the Chairman directs. The result of such poll is deemed to be the resolution of the meeting at which the poll was demanded.
11. The demand for a poll does not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
12. On a show of hands every Bond Holder who is present in person or by proxy or corporate representative has one vote only; on a poll every Bond Holder whether voting in person or by proxy or be corporate representative has one vote for each dollar of the amount of Outstanding Bonds of which they are the holder.
13. On a poll any Bond Holder, proxy or corporate representative entitled to more than one vote need not use all their votes or cast all the votes they use in the same way.
14. In the case of joint registered holders of Bonds the vote of the senior Bond Holder who tenders a vote whether in person or by proxy will be accepted to the exclusion of the votes of the other Bond Holders and for this purpose seniority will be determined by the order in which the names stand in the Register of Bond Holders in respect of the joint holding.
15. The instrument appointing a corporate representative or a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority must be deposited at such place as may be directed in the notice convening the meeting or adjourned meeting and in the absence of any such direction at the office of the Trustee not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting (or in the case of a poll before the time appointed for the taking of the poll) at which the person named in the instrument proposes to vote and in default the instrument of proxy may not be treated as valid. The instrument appointing a proxy may be either special or general.

Subject to the Corporations Act, OIML may for voting purposes specify a time being not more than 48 hours before any meeting of Bond Holders by reference to which the entitlement of Bond Holders to vote at that meeting is to be determined particulars of which must be sent with the notice of the meeting.

19. A Special Resolution or an Ordinary Resolution passed at a meeting of the Bond Holders duly convened and held in accordance with the provisions of this Schedule is binding upon all Bond Holders whether or not present at the meeting and each Bond Holders is bound to give effect to such resolution accordingly. The passing of any such resolution is conclusive evidence that the circumstances justify the passing of the resolution, the intention being that it will rest with the meeting to determine without appeal whether or not the circumstances justify the passing of such resolution.
20. Minutes of all resolutions and proceedings at every meeting must be made by the Trustee and duly entered in books to be from time to time provided by OIML. Any such minutes if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings had or by the Chairman of the next succeeding meeting of Bond Holders are conclusive evidence of the matters therein stated. Until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made is deemed to have been duly held and convened and all resolutions passed or proceedings had thereat to have been duly passed.
